

CITY OF MISSISSAUGA NOTICE OF CONSTRUCTION ACTIVITIES

LISGAR STORM SEWER LINING

IN THE VICINITY OF BLACK WALNUT TRAIL AREA AND LISGAR MEADOW BROOK PARK (WARD 10)

The City of Mississauga is proceeding with storm sewer lining activities in various locations within the Lisgar District in the City of Mississauga. (Please see Figure on reverse side).

The work to be done includes trenchless rehabilitation and lining of the storm sewers utilizing ultra-violet (UV) cured-in-place pipe (CIPP) lining technology. **No excavation of the roadways is required for this work.**

Pre-Lining activities are anticipated to begin in early November, 2016. Liner installation is anticipated to begin in mid November, 2016 and will take approximately 4 weeks to complete (weather permitting). The contract was awarded to **PipeFlo Ltd.** and we are confident that they will complete the project competently and in a timely manner.
