

March 1, 2017

**WATERMAIN REPLACEMENT AND ROAD RESURFACING
BRITANNIA ROAD WEST FROM WINSTON CHURCHILL BOULEVARD TO ERIN MILLS PARKWAY
PROJECTS 14-1345K AND 16-4660**

The Region of Peel will be replacing watermains and resurfacing Britannia Road West from Winston Churchill Boulevard to Erin Mills Parkway. This work will also include removing and replacing curbs, adding sidewalks and a multi-use trail, and installing a low impact development (environmentally friendly) storm sewer system.

SCHEDULE

Construction is scheduled to start mid-March 2017 and is anticipated to be completed by mid-November 2017, weather permitting.

WORKING HOURS

The work will be done by TRISAN Construction. Our contractor's normal working hours are from 7 a.m. to 7 p.m. to allow for a shorter construction period. We apologize for any inconvenience this may cause.

TRAFFIC CONTROL

We will make every effort to minimize disruption to traffic, access to businesses and residential areas while still maintaining a safe working environment as required under the Occupational Health and Safety Act. However, due to the nature of the work we will need to reduce traffic to a single lane in each direction and temporarily block intersections during construction.

PROJECT UPDATES

The Region of Peel is committed to keeping you informed and ensuring that the work is carried out with minimum disruption. You will be provided with a project update if there are any substantial changes in the project scope or schedule.

We encourage you to notify the project manager listed below if you have any concerns or particular needs during construction. Thank you in advance for your cooperation and patience during the project.
