Dear Neighbours,

**Re: Proposed Residential Developments
3015 Eglinton Avenue West and
5118 Winston Churchill Boulevard
(north of Eglinton Ave. W, west of Winston Churchill Boulevard,
south of Destination Drive)**

Please join me at a Community Meeting I am conducting on Wednesday, November 2nd, 2011 from 7:00 pm to 9:00 pm at Erin Centre Middle School, 3240 Erin Centre Boulevard. The purpose of the meeting is to discuss the following two development applications.

Great Gulf Homes is proposing a development situated at 3015 Eglinton Avenue West, at the north-west corner of Eglinton Avenue West and Winston Churchill Boulevard. The proposal is for three (3) 4-storey mid rise condominium buildings with approximately 169 units. An underground concrete parking garage is being proposed for the buildings.

The Daniels Corporation is proposing a development located at 5118 Winston Churchill Boulevard, south-west corner of Destination Drive and Winston Churchill Boulevard. The proposal consists of 20 street townhouses, 30 horizontal multiples (street fronting stacked townhouses) and 83 two-storey townhouses, with an amenity area in a central location on the site.

The applicants and City staff will be attending the Community Meeting to address any comments or concerns and to answer any questions you may have.

I look forward to meeting with you to view the plans for these exciting new additions to our community.

Kindest regards,

Sue McFadden
